

RETROSPECT

"TOGETHER"

1973 RETROSPECT **VOL. 60**

**SULLIVAN HIGH SCHOOL
SULLIVAN, ILLINOIS**

Forward

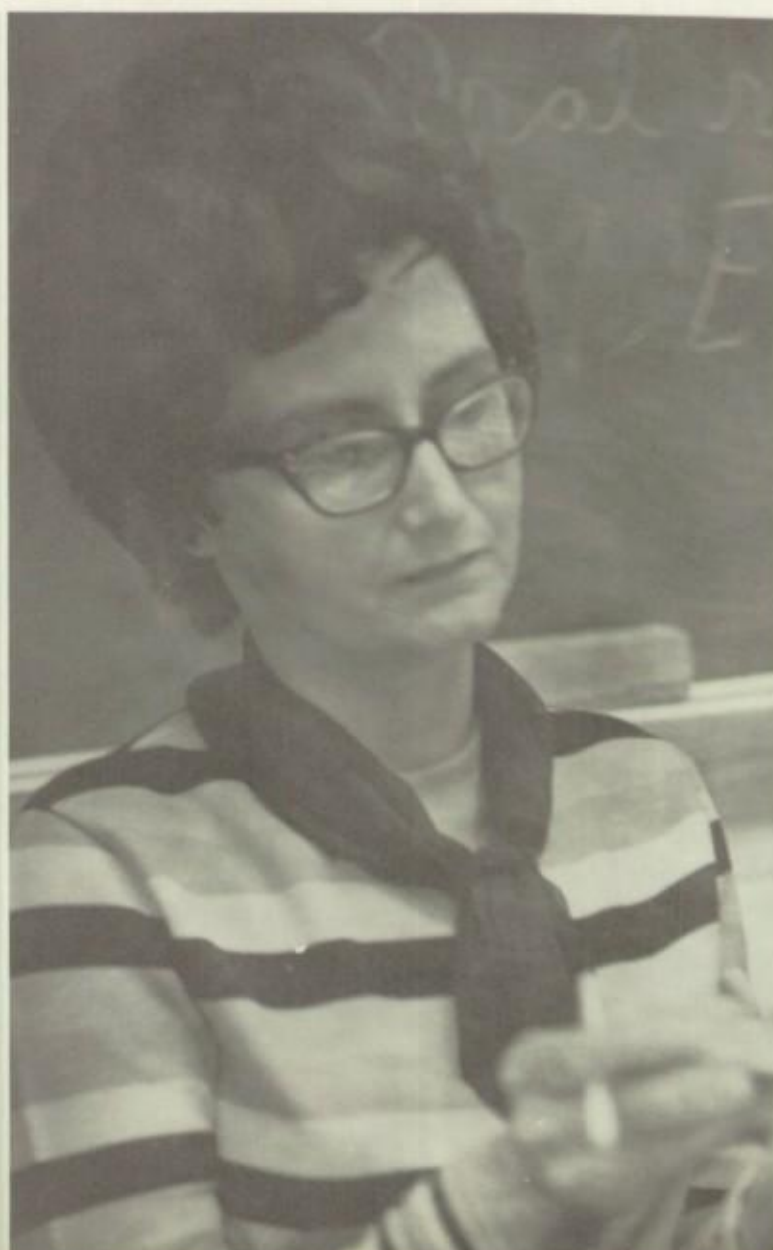

Togetherness means a great deal to the Class of 1973 because the majority of us have been together since our first day of school. We have laughed and cried, been happy and sad, felt joy and sorrow, and, most important, grew together. Now as we leave S.H.S. to go our separate ways we know that in our hearts we will be forever,

Together.

TO
MRS.
MUNSEY

We, the Senior Class of 1973, simply wish to thank you, Mrs. Munsey, for all the help and support you have given us these last three years. We all sincerely appreciate the things you have done for us and hope to show this appreciation by dedicating this, the 1973 Retrospect, to you.

THE LAST WILL AND TESTAMENT OF THE CLASS OF '73

We, the wonderful 103 of 1973, step down from our pedestals in glorious expectation of developing a keen intelligence, and an avid interest in our future endeavors. Being of devious mind and doubtful sanity, we do hereby give our oath declaring this, our last will and testament. We humbly regret that we will not be available to the underclassman for advice any longer, but we sincerely hope that they will meet their many obstacles maturely. We order that all hatefulness, grudges, and genuine gripes by class members, administration, faculty and/or underclassmen be abolished.

We do hereby bequeath unto the deserving (?) Juniors a successful homecoming and our ever-shining halos so that they will have at least one tradition preserved for them.

To the ambitious (?) Sophomores, we hope that the next two years will be as fulfilling as ours.

And to the (?) Freshmen, may they always remember us as kind-hearted Seniors who directed them wisely.

To the faculty, we leave sympathy for the years to come and apologies for the years gone by.

We also bequeath to the following individuals:
